Proposed Title: House Rent Apps.**Brief Description of the project/thesis:** (Extra pages can be used if necessary)

Problem Statement and Motivation: When we go to rent our house, we have to go to the owner or to the bank so we want to create an app through which we can pay the house rent or other bills from anywhere in the world.

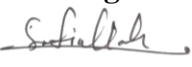

Literature work and limitation: The limitation of this app is to pay only the house bills (rent, all types of bills).

Objectives of the project/thesis:

Our goal is: -

- 1) Easy to pay the bill
- 2) It takes time and effort
- 3) Perform hassle-free work
